

Rosenberg Fire Department

FIRE PREVENTION and PUBLIC EDUCATION REQUEST

(832)595-3600

firesafety@rosenbergtx.gov

REQUESTOR: Please note the following...

The main mission of a fire department visit is to deliver a fire safety message.

Guided tours of our fire stations and presentations are provided free of charge to residents and schools as a part of the Department's public education program. To request a tour/presentation, please complete this form and email to firesafety@rosenbergtx.gov. Incomplete forms will not be processed.

- ❖ Two weeks' notice required to insure availability
- ❖ Children must be supervised at all times and will not be allowed to climb on the fire truck.
- ❖ Please note all of our fire stations are working fire stations and remain available for emergency responses during tours and visits. Tours may be cut short or need to be rescheduled in the event of an emergency.
- ❖ Please no requests for personal parties and birthday events.

You will receive a schedule confirmation after submission of this form.
