

**Re: No Zoning**

To whom it may concern:

Rosenberg has not adopted a Zoning Ordinance or a Zoning Map. Therefore, properties within the City limits of the City of Rosenberg are not zoned. Please be advised, however, that there are other codes and ordinances that affect the development of property that must be complied with, such as subdivision regulations, building setbacks, parking, landscaping, and many other similar ordinances. The City of Rosenberg Unified Development Code is available for review at <https://rosenbergtx.gov/281/Unified-Development-Code>.
